GOVINDAM

Make every *moment sweeter*

THE STORY OF GOVINDAM

Rooted in tradition. Handcrafted with care.

Govindam began with a simple thought: the sweets we share should be made with care. Our mithai makers from Hathras bring traditional methods to every preparation, crafting sweets and savouries by hand in small batches. With close attention to flavour, texture and freshness, we make familiar Indian favourites for everyday joys, festive gatherings and thoughtful gifting.

Why Govindam?

Pure ingredients

Pure desi ghee for rich flavour, and pure desi cow milk in our milk-based mithai.

Small-batch care

Sweets and savouries made by hand in small batches, with attention to taste, texture and freshness.

Craftsmanship from Hathras

Mithai makers from a town known for its sweet-making traditions, bringing skill and care to every preparation.

Gifts made meaningful

Traditional flavours, thoughtfully presented for colleagues, clients and the people who make every occasion special.

Make every moment sweeter.
